

Connected Learning Matters

Linda Kaser & Judy Halbert
NOII & AESN

Connections to

Land

Elders

Community

Connections to

Deeper forms
of learning

Our learners

Each other

"None of us is as
smart as all of us."

- Kenneth H. Blanchard -

What Matters?

What's Next?

What Matters

Every learner crossing the stage with dignity, purpose and options.

What Matters

ALL learners leaving more
curious than when they
arrive.

What Matters

ALL learners gaining and understanding of and respect for indigenous ways of knowing

What Matters

Not ignoring the tough and the
nasty

Don't turn a blind eye

What Matters

Building on what we
know...

Purpose

Mindset

Assessment for learning

Social Emotional Learning

Self Regulated Learning

Learning Principles

Disciplined Inquiry

What's Next?

Inquiry **AND** Innovation

Passionate Persistence

Deeper learning within and
across schools and districts

Strong global connections...
learning with and from each
other

Disciplined Inquiry... a way of life

Enhanced focus on well-being

Deeper connections – for everyone
